

ISO 14001 Compliance Statement

Framework: ISO 14001:2015 | Date: 2024-11-10

Environmental Impact Log

Formal statement confirming EMS application in pest operations, including reduced chemical impact on soil, water, and air.

Key commitments:

1. Periodic operational environmental review.
2. Measurable environmental objectives.
3. Continuous PDCA improvement.

This document supports corporate sustainability audits. Official regulatory requirements may vary by jurisdiction.
